

Home Fire Safety Survey

Description:

The Willowfork Fire Department will begin offering Home Fire Safety Surveys to residents serviced by Willowfork Fire Department, beginning on June 1, 2018. The survey, which will take approximately 1 hour, will consist of firefighters arriving at your residence to help check for common fire hazards. They will also check batteries in smoke and carbon monoxide detectors as well as discuss family evacuation planning.

To Request Your Free Survey:

Go to www.willowforkfire.com and click on the Community Education and Services tab under Public Events/Event Sign-up at the top of the screen. You may also schedule by calling 281-395-0011 Ext. 120.
